Mark: for awhile i posted the english on true slant
Mark: but
Mark: my contract technically states they have the exclusive rights to publish "in any language of the world"
Mark: and since htey're russians you know they're just looking for an excuse to fuck me
me: unlike American media outlets
me: which don't do that
Mark: point taken
Mark: have you read this whole washington post thing?
Mark: i literally had to pinch myself reading certain parts of it
me: no, I'm already well aware of the problem
Mark: i'd like to think i'm a pretty cynical guy
Mark: but holy crap
me: yeah, that's really nothing in the grand scheme of things
